## BIO

I want to connect people through design and visual storytelling. I believe details are important and thorough research for projects. I lean more towards mixing physical media into graphic design. I love swimming and sketching what I see when traveling. I enjoy gaining new experience in all art-forms.

## EXPERIENCE/ PROJECTS

- Panaderia Reyes - Brand Identity  
Research and design new brand system for exhisting business
- Jeanne Moderno - Typeface Informational Book  
Design a visually interesting informational booklet
