About

I strive to engage people through design and visual storytelling. I believe details and thorough research are critical for all projects. I strongly focus towards mixing physical/traditional media into graphic design. I have a strong passion for swimming and sketching visual inspiration while traveling. I value gaining new experience in all art-forms and exhibit a strong work ethic

Experience/ Projects

- Panaderia Reyes - Brand Identity
Research and design new brand system for existing business
- Jeanne Moderno - Typeface Book
Design a visually interesting informational booklet
- Way Home - Childrens Illustration Book
Illustrate and layout kids storybook for print
